

Cooling System Tune-up Incentive

\$30

Incentive Qualifications

\$30 Incentives are available to customers who have their cooling system inspected and tuned-up by an HVAC contractor. Qualifying systems include residential central - air conditioners, air source and water source heat pumps that are served by Nebraska Public Power District or its Wholesale Utility Partners. Even though the cooling system may be serviced or tuned-up frequently, the customer is only eligible to apply for the EnergyWise \$30 incentive a minimum of every three years.

Program started in April of 2009. In following years, check with your electric utility for program status.
