**SOUTHERN POWER DISTRICT UPDATE**

Power has been restored to the village of Wilcox through power lines. This restoration occurred shortly after Noon on Sunday. Crews are working now to make the same accomplishment in the village of Funk, possibly by this afternoon.

Work will continue in making repairs to damaged facilities that were "routed around", and customers may experience temporary outages as this work takes place. Any outages lasting more than an hour can be reported to Southern's outage hotline at 1-888-484-2470. Information about restoration progress is also available on a recorded hotline at 1-800-652-9809.
