

*Serving the agricultural, residential, business and community electric power needs of
Adams, Franklin, Hall, Hamilton, Kearney, Merrick and Phelps Counties*

PRESS RELEASE

January 31, 4:45 P.M.

From: LeAnne Doose, Communications Director

SOUTHERN POWER DISTRICT UPDATE

Southern Power District would like to notify customers in southern Franklin County that repair work taking place tomorrow is expected to cause “blinks” in electrical service tomorrow. Crews will be working in southern Franklin County to repair facilities damaged from the ice storm, and lights that “blink” or “flicker” will be the result.

Lengthy outages are not expected at this time, however any customer who does experience a lengthier outage is encouraged to contact Southern at 1-888-484-2470.
