

*Serving the agricultural, residential, business and community electric power needs of  
Adams, Franklin, Hall, Hamilton, Kearney, Merrick and Phelps Counties*

**PRESS RELEASE**

**June 7, 2007 8:20 A.M.**

**From: LeAnne Doose, Communications Director**

**308-384-2350**

**OUTAGE INFORMATION**

Southern Power District crews have resolved all but a few of the outages that occurred yesterday due to high winds. In all, the district had about 600 services with outages across all five service areas (Holdrege, Hastings, Franklin, Grand Island and Central City).

If customers are continuing to experience an outage, they are encouraged to call Southern Power District at 1-888-484-2470.
